

IETA G7 Carbon Market Roundtable & G7 Carbon Market Platform Strategic Dialogue (CMP SD)

16-17 October 2024 - Rome, Italy

Introduction

Starting last year, the G7 Presidency asked IETA to partner with them around one of the G7 annual agenda items, the Carbon Market Platform (CMP) Strategic Dialogue.

This political forum brings together G7, interested G20 and a number of G77 countries, and organisations to strengthen international co-operation in developing effective, sustainable, and ambitious carbon pricing approaches.

This 9th edition will be jointly chaired by Japan and Italy, with analytical support from the OECD. The Dialogue will be hosted by the Italian Ministry of the Environment and Energy Security, in an in-person format, by invitation only.
